The World

SO MUCH TO 'SEA' AND DO

Whether you're waking up to an amazing day at sea or returning from a day of paddle boarding off the Amalfi Coast, bicycling along the Baltic Sea, or other down to earth adventures, back on board you'll find enriching all-inclusive discoveries in store.

REVEL - Anticipate a unique entertainment experience like no other at sea aboard a small, expedition-style ship. Let the rhythm take you as you sway to the music on the dance floor. With stimulating entertainment every evening, you're invited to grab your dance partner for a jubilant evening.

The on-board enrichment program with renowned guest lecturers enhances the experience as one becomes immersed in the destinations.

REACH - Look beyond the ordinary. Drink in expansive scenery from your private balcony or see the world through the Captain's eyes on the 'always open' bridge.

The Dome Observation Lounge offers 270 degree and overhead views, perfect for watching the horizon and stargazing.

CHILL - Feel free to sit back and take it slow at the heated pool, lay out on the sundeck to bask in the warm sunshine or sink into relaxation in one of the two hot tubs. Or chat it up with new friends while enjoying signature smoothies at the pool bar.

BREATHE - Get pampered with a session at SeaSpa by L'OCCITANE, the brand's first luxury spa at sea. With optional signature treatments, you can indulge in pure bliss to rejuvenate and reinvigorate.
