### About Kiawah Island Golf Resort - Ocean Course

The Ocean Course at Kiawah Island needs no introduction, as it has been host to The 2007 Senior PGA, The 2012 PGA Championship and the famous "War by the Shore" 1991 Ryder Cup. Views of The Atlantic Ocean from anywhere on the course create one of the most picturesque golf settings in the entire world. These breathtaking views are often accompanied by unpredictable sea breezes that have been known to vary in strength and direction by as much as eight clubs on subsequent days. Course designer Pete Dye recently modified the course to lessen the level of difficulty so that golfers of all skill levels can have a chance to enjoy this marvel of the golfing world.
