About TPC Sawgrass - The Players Stadium Course

The original Stadium Course is truly one of the World's finest. As the pride of the PGA TOUR and the permanent home of "The Players Championship," this course is a must for all. Its vast waste bunkers, large lagoons, thick tree-lined fairways, and spectacular wildlife make the Stadium Course one to behold. The course's signature hole is the famous 17th Island Hole, which is the most photographed hole in golf. This hole offers only two choices to its challengers, wet or dry.

About TPC Sawgrass - The Dye's Valley Course

The second course at the TPC Sawgrass was built for the Senior Tour. The rolling hills and the large sweeping greens make this course a treat to play. The Valley Course is the only course in Sawgrass which does not force you to carry over water on any hole. Its modern design and construction enables this course to be the finest golf course in Sawgrass.

About the area:

This little slice of heaven along the Northeastern Coast of Florida — between Jacksonville and St. Augustine — aside from world-class golf courses is home to stunning beaches, great restaurants, and plenty of activities to keep you busy.

If it's shopping you're looking for, look no further. Sawgrass Village, new to TPC Sawgrass, is the new "town square" community shopping center in Ponte Vedra Beach. The village is walkable, featuring boutique-type stores, art galleries, and award-winning restaurants. There are over 30 boutiques in the Ponte Vedra area and two outlet malls in St. Augustine.

Just a short trips from Ponte Vedra is St. Augustine. Visitors can explore a spiraling lighthouse, scenic nature trails, and tranquil beaches. Hear the sounds of the city, from horse hooves on brick-paved streets to the roar of cannon fire; the hustle and bustle of a living community. Explore fascinating museums or take a scary ghost tour. Historical reenactments, recreations, artifacts, and relics can be found on every corner, bringing to life the timeless stories of other eras.
