## SO MUCH TO 'SEA' AND DO

Whether you're waking up to an amazing day at sea or returning from a day of paddle boarding off the Amalfi Coast, bicycling along the Baltic Sea, or other down to earth adventures, back on board you'll find enriching all-inclusive discoveries in store.

**REVEL** - Anticipate a unique entertainment experience like no other at sea aboard a small, expedition-style ship. Let the rhythm take you as you sway to the music on the dance floor. With stimulating entertainment every evening, you're invited to grab your dance partner for a jubilant evening.

The on-board enrichment program with renowned guest lecturers enhances the experience as one becomes immersed in the destinations.

**REACH** - Look beyond the ordinary. Drink in expansive scenery from your private balcony or see the world through the Captain's eyes on the 'always open' bridge.

The Dome Observation Lounge offers 270 degree and overhead views, perfect for watching the horizon and stargazing.

**CHILL** - Feel free to sit back and take it slow at the heated pool, lay out on the sundeck to bask in the warm sunshine or sink into relaxation in one of the two hot tubs. Or chat it up with new friends while enjoying signature smoothies at the pool bar.

**BREATHE** - Get pampered with a session at SeaSpa by L'OCCITANE, the brand's first luxury spa at sea. With optional signature treatments, you can indulge in pure bliss to rejuvenate and reinvigorate.

## Worldwide Itineraries

(Please refer to specific certificate for included destinations.)

### Antarctica

Polar-Class ships glide you through the earth's most remote region, where you'll navigate amid icebergs, glaciers and ice floes, where you'll be up close and personal with incredible wildlife and otherworldly landscapes.

### British Isles & Northern Europe

Enter the kingdom of red wine at Port Médoc, a gateway to the Bordeaux Wine Route and discover the hidden gem of Belle-Île, the secret summer getaway for Parisians. With overnights in historic destinations like Edinburgh and Dublin, there's more time to explore their rich past.

### Iceland & Greenland

Delve into the majesty of the largest island in the world, exploring Greenland's breathtaking fjords and possibly even its renowned national park. Admire camera-ready landscapes, like the rock pillars and cliffs of Vopnafjörður, Iceland filled with scenes that often resemble different creatures. A contrast of glaciers, lush landscapes, volcanoes, geysers and hot springs are perfect for extraordinary discoveries.

### Mediterranean

Follow the sun as you travel through UNESCO highlights, historic ruins and pristine beaches. As our small, sleek ships navigate remote coves of the Greek Isles, the Italian and French Riviéras, Spain, Portugal and other destinations of the Mediterranean, enjoy water sports directly from the ship in many ports to experience your world up close.

### Norwegian Fjords & Arctic

As you sail through the majestic fjords and glaciers of Norway, you have a chance to visit several iconic scenscapes to add to your trophy travels. Experience yacht-style expeditions to the Arctic where you may see polar bears, reindeer, puffins and other incredible wildlife.

## LAND PROGRAMS

Adventures ashore can be reserved directly through Atlas Ocean Voyages, both before and during the cruise.
