ABOUT CHILENO BAY AN AUBERGE RESORT

Chileno Bay is a contemporary sanctuary nestled on one of Cabo's only swimmable beaches.

Your Year-Round Outdoor Playground

Nestled along a protected cove, the most desirable beach in Los Cabos has long been known for its tranquil, swimmable waters and pristine coral reefs, where a short venture out to sea unveils a hidden underwater world of tropical fish and sea turtles. Chileno Bay was created with a distinct vision to bring a contemporary take on the classic Baja escape with an airy, open aesthetic that blurs the line between indoor and outdoor with private terraces in each guest room.

From snorkeling past vividly-hued coral reefs just beyond our door to horseback riding through a deep desert canyon, Baja California is a world of contrasts that beckons to be explored.

DINING

COMAL - USA TODAY'S #1 RATED RESTAURANT IN LOS CABOS

Here's where to find Cabo's most innovative takes on regional flavors and traditions like braised short rib with cacao broth—set against a contemporary indoor-outdoor space spread across three levels, and dramatic Sea of Cortez backdrop.

Elevate your Baja dining experience at Comal's oceanfront **Proa**. A secluded dining experience with unmatched views of the Sea of Cortez, Proa delivers a sensory culinary journey like no other.

YAYA

Welcome home. Visit for lunch or dinner at Chileno Bay's newest gathering place—where the best of Mediterranean culinary influences meets the vibrant color and flavor of Latin American cooking. An active, open hearth kitchen takes center stage, where fresh ingredients and artisanal preparation are the main forms of expression in seasonal menus.
