ABOUT ESPERANZA AN AUBERGE RESORT

This AAA Five-Diamond, Forbes Five-Star rated property is the only private beach resort in Los Cabos.

Balanced by the Elements

Waves crash along the rocks, sending salty spray into air warmed by brilliant sunshine. This centuries-old rhythm helped shape Cabo's Punta Ballena coastline, named for its resemblance to a whale's tail. You'll feel at harmony with the vivid sensations of Baja California—and with the Esperanza family.

DINING

Experience an array of spectacular dishes delivered with artful presentation and earnest passion for culinary excellence. The Executive chef skillfully designs menus for each of the resort's six restaurants including the newly reimagined Cocina del Mar, set on a rocky promontory surrounded by crashing waves.

COCINA DEL MAR

Cocina del Mar restaurant, bar and lounge is perched atop striking cliffs overlooking Esperanza's two private beaches and will take you on a culinary journey through the Sea of Cortez and Cabo's verdant farms. Enter a buzzing lantern-lit bar and lounge that invites you to linger over hand-crafted cocktails before sauntering down to dinner above a cascade of oceanfront terraces kissed by white-capped waves. An outdoor exhibition kitchen is alive with energy, a perfect spot to engage with chefs and explore bites of coastal Baja cuisine and regionally inspired cocktails beside a glowing wood fired oven.

LA PALAPA

Casual outdoor dining at its finest. Savor authentic Mexican dishes from vibrant ceviches to crisp tacos cooked in our open-air exhibition kitchen or enjoy a margarita surrounded by the swaying palms at our swim up bar.

LAS ESTRELLAS

Surrounded by a pool and lush gardens, this family-friendly restaurant serves up Mediterranean favorites, like wood-fired pizza and homemade bruschetta, along with traditional dishes with a Mexican seafood twist. The aromatic herb gardens surrounding Las Estrellas serve as a perfect setting for a casual yet elevated meal, while the adjacent Bocce Ball Court provides for the perfect post-meal activity for the whole family.

LA TERAZZA AMERICANA

Situated steps from our infinity-edge pool, this casual outdoor spot serves salads including an avocado- and kale-packed superfood salad, sandwiches, soups and other light lunch fare.

WELLNESS

THE SPA AT ESPERANZA

Inspired by the restorative coastal desert environment

Treatments harness the healing powers of local plants and take place in private suites with the door left discreetly open to the elements. It's good for the soul to spend time in this award-winning spa, where tension melts away and a greater sense of inner peace is achieved. And it's good for the body to combine such detoxifying treatments with core-strengthening workouts in our fitness center with floor-to-ceiling windows or out or on the beach, inhaling that fresh sea air.

PASAJE DE AGUA

Check in 30 minutes prior to your appointment to indulge in the "pasaje de Agua" which draws upon the tradition of using hot and cold waters, steam, and rest for purifying and rejuvenating the body. This water therapy experience includes a warm-spring soaking pool, steam caves, and a cool rinse. Then replenish your body with our selection of Aguas Frescas, indigenous fresh fruit beverages.

FITNESS & MOVEMENT

This modern fitness center combines the latest equipment with Baja's naturally inspiring surroundings. Work out under a high-pitched palapa roof, with plantation-style fans whirring above, and the brilliant sunshine streaming through the floor-to-ceiling windows.
