SAIL THE MEDITERRANEAN ON THE RITZ-CARLTON YACHT COLLECTION

The Mediterranean offers visitors unbound beauty, culture, and cuisine. The Ritz-Carlton Yacht Collection voyages explore ports and cities throughout this captivating region, many best experienced by cruise.

Rich with history, with monuments and ruins dating back to the earliest civilizations, the Mediterranean moves at a slower pace than its northern neighbors. Time-honored traditions dating back centuries intersect with the present day in the most engaging way. Discover the cliff-clinging pastel houses of Sorrento and the Amalfi Coast, the blue-domed whitewashed churches of Santorini, the massive columns of the Pantheon, or the priceless treasures of the Vatican Museums. With harbors framed by limestone cliffs, charming cobblestone fishing villages, and miles of pristine beaches, relax and experience it all on a voyage with The Ritz-Carlton Yacht Collection.

With well-planned routes and inclusions, a memorable Mediterranean cruise from The Ritz-Carlton Yacht Collection offers all voyagers the ideal combination of destinations, inclusions, onboard amenities, and world-class service that can only be offered by The Ritz-Carlton Yacht Collection.
