Punta de Mita,  
Mexico

## ABOUT SUSURROS DEL CORAZON AN AUBERGE RESORT

On the untouched Mexican shoreline, Susurros del Corazón is a seaside enclave crafted by nature.

**Susurros del Corazón means, "whispers of the heart".**

Nestled between jungled cliffs on a pristine stretch of beach, Susurros del Corazón is a luxuriously relaxed surf retreat celebrating natural beauty and playful spirit. With a beach unlike any other in Punta De Mita, lingering days call to the ocean to explore on a surf safari, watch the Humpback whales or relax to the echoes of rolling waves.

Embodying relaxed seaside living, each of the accommodations offer indoor-outdoor spaces with private terraces and large nature framing windows. Contemporary design celebrates natural materials and Mexico's rich craft culture with unique furnishings and textiles.

### DINING

#### CASAMILPA

The centerpiece of the epicurean experience at Susurros del Corazón, Casamilpa draws guests with a creative and curious kitchen. Serving breakfast, lunch and dinner, the rustic Mexican farmhouse menu pairs seasonal vegetables grown from local farms with well-sourced animal proteins and fresh from the sea bounty. Always sustainable, the dishes are globally referenced, but distinctly Mexican.

#### LA BOQUITA

This open-air venue offers breathtaking views of the Bahía de Banderas and dishes fresh from the comal. A relaxing lunch venue for Mexican favorites with tacos, simply grilled fish and ceviches evolves to agave driven cocktails and thoughtful small bites in the evening. Late nights are fueled by a DJ for dancing under the starry night sky.

#### LA PISCINA

This poolside dining experience serves bright and fresh Mexican favorites and agave cocktails in a sun-drenched setting. The adults only pool offers an in water, swim up bar with a curated list of playful cocktails.

#### EXECUTIVE CHEF TONATIUH CUEVAS

Executive Chef Tonatiuh Cuevas is imparting his culinary passion at Susurros del Corazon by overseeing the inventive offering of local-forward gastronomic experiences. Born and raised in Mexico City, and deeply influenced by his gourmand parents, Cuevas developed his expertise and personal style by working with prestigious names at world-renowned restaurants and resorts throughout the U.S. and Mexico. Cuevas continuously celebrates the local, seasonal bounty of the Nayarit region by providing guests with a home-away-from-home dining experience of simple and pure cuisine.

# ADVENTURES AND WELLNESS

Embrace a sense of exploration as you escape the ordinary with nature-filled quests, from surf safaris and humpback whale watching. Celebrate with family and friends, new and old, setting sail at sunset, or joining immersive community dinners.

The playful spirit of Susurros del Corazón coupled with the untouched shores of Punta de Mita make for the perfect backdrop for discovery, renewal, and adventure.

## WELLNESS

A tonic for the soul, Susurros del Corazón harnesses the calming and cleansing nature of the ocean to reset us. Wellness at Susurros centers around finding the joy in well-being; the treatments and experiences offered recognize joy as a deep indicator of wellness and strive to embrace the flow, and bring lightness and happiness to the overall experience.

### ONDA SPA

The meaning of the Spanish word "Onda" is tied to the vibration and healing energy of the ocean waves; a unique energy that inspires the spa's signature treatments.

### FITNESS & MOVEMENT

Daily beach programming focused on movement, visiting practitioners and a variety of fitness classes complement the wellness experience at Susurros.
