CARIBBEAN CRUISING ON A SCENIC LUXURY YACHT

**Azure seas, white sands, palm trees swaying in the breeze –
the Caribbean is island life at its best.**

Laden with history, from marauding pirates to Spanish conquistadors, the Caribbean has stories to tell. This is a place where paradise meets culture, where the civilized meets the uncharted, and where the locals are among the most welcoming hosts on Earth. From the Bahamas to Jamaica, Panama to Barbados, adventure beckons amid the tropical trees and crystal clear waters of the Caribbean, and you're invited to experience it all on board The World's First Discovery Yachts™, Scenic Eclipse.

Whether you're interested in diving, discovering nature and gorgeous beaches or exploring towns where Latin and creole cultures have peacefully coexisted and intermingled over several centuries, you're sure to find your perfect spot in the Caribbean. Snorkel in the remarkable coral reefs and watch endemic species swimming peacefully in the clear, calm waters.

Why Visit the Caribbean?

Vibrant Cultures

A mosaic of ethnic, religious and linguistic backgrounds, the Caribbean Islands are a fascinating array of rich and vibrant cultures, with a mixed ancestry of European, African and Indigenous roots. Discover the unique carnival atmosphere and festival celebrations, that include colorful costumes and parades with traditional Caribbean dancing and music.

Stunning Scenery

The majestic Caribbean Sea and its plethora of stunning islands have long captivated the imagination and conjured images of palm trees, turquoise waters and expansive beaches of fine white sand. Described by early explorers as "the most beautiful land that human eyes have ever seen", the Indigenous inhabitants of this region had relished for centuries in its beauty and riches.

Marine & Wildlife

Abundant in breathtaking flora and fauna, a highlight of visiting the islands is experiencing the magnificent array of plant and animal species. The exquisite marine life includes several types of sea turtles, pelagic and reef fish, sharks, marine mammals such as dolphins, porpoises and whales, and numerous sea birds. On land, the islands are a bird lover's paradise. Home to hundreds of different species, some of the endemics include the West Indian whistling duck, the Antillean crested hummingbird and the Hispaniolan woodpecker.

Culinary Delights

Those with an adventurous palate will enjoy sampling the Caribbean cuisine, which is often as colorful in ingredients as it is by name. From local street food dishes of pickled pig and lamb to freshly barbecued shellfish, many islands are renowned for fresh and local cuisine with big flavors.

Tailored on Shore Experiences

Scenic Eclipse offers truly all-inclusive curated Scenic Enrich experiences taking you behind the scenes in the most spectacular surrounds with private access and immersive moments. UNIQUE EXPERIENCES ON SCENIC ECLIPSE

Scenic Eclipse Helicopter

Our state-of-the-art helicopters are some of the quietest in the sky, with outstanding visibility. During your flight, outstanding visibility is provided by the large wrap-around windscreen and wide windows. Those facing forward will have incredible views, as will those seated in the rear position, thanks to a raised 'theater-style' platform. Your enjoyment and comfort is our number one priority on our helicopter excursions.

To ensure the safety of our guests our helicopters are also equipped with GPS tracking, an active air traffic advisory system, Bluetooth air to ship communication and wire strike protection.

Scenic Neptune Submarine

Redefining underwater exploration, Scenic Neptune effortlessly explores crystal clear waters, providing you with one of the most luxurious underwater experiences.

Gasp at fascinating marine life, marvel at vibrant coral reef and inspect mysterious underwater ruin - the possibilities are endless. With seats mounted on revolving platforms, guests can swivel 280 degrees to view in all directions through the two large, ultra-clear acrylic spheres of the submarine. You'll never miss a moment on your voyage under the sea.

Scenic Neptune is a U-Boat Worx Cruise Submarine 7 capable of diving up to a depth of 984 ft, with spacious seating for up to six guests, plus our expert pilot. Custom-built for optimal sightseeing, an excursion under the ocean will be truly unforgettable.
