## 3 OR 4 NIGHT BAHAMAS OR MEXICAN BAJA CRUISES

Guests can choose from any of these two options:

3 or 4 Night Cruise to the Bahamas including Nassau & CocoCay, Royal Caribbean's own private island paradise.

3 or 4 Night Cruise to Baja, Mexico including Ensenada and Catalina Island (Catalina included on 4 night cruises only).

### Perfect Day at CocoCay®

Guests can conquer the tallest waterslide in North America and snap a shot from up to 450 feet up in a helium balloon. Grab a drink at the swim-up bar and soak up the scene in the largest freshwater pool in The Bahamas. Or get a taste of Bora Bora with your own Floating Cabana. There's something for everyone at this amazing private port destination.

### Nassau & Grand Bahama Island, Bahamas

The Bahamas are a picture-perfect paradise where guests can swim with stingrays, dive with dolphins, or spot colorful coral on a glass-bottom boat. In Nassau one can spend the day at the famous Atlantis Resort and splash their way through its expansive water park, grab a piña colada at the Marina Village, and spot the hammerhead sharks in Predator Lagoon.

### Ensenada, Mexico

Known as the "Wine Capital of Mexico", Ensenada boasts dozens of local wineries offering fantastic tours and tastings. Ensenada also offers a bevy of activities and experiences, whether you hike to the towering waterfall of El Salto canyon, or take to the sea on a whale watching boat. This destination has emerged as one of the premier culinary hubs of Baja California, whether you crave tacos made with fresh-caught local fish, or pan-Mexican favorites such as torta sandwiches.

### Catalina Island, California

Located off the coast of California, Catalina Island is a little paradise, perfect for a day of unwinding and exploring. Everything is within walking distance, so families can have fun exploring the town of Avalon or grab some hiking shoes and hit the trails. For seaside relaxation, guests can head to Descanso Beach Club, which is considered the nicest beach on the island, or set sail on a catamaran to circle the island and take it all in.
