About Hilton Head Island

There is so much to do here on our small but celebrated barrier Island, from windswept shores to some of the South's most celebrated eateries, golf courses, wild places and more. Even with slightly lower temperatures, our mild winter season is a magical time to visit. Hike or bike miles of trails into the Island's interior, stroll the beaches, learn about Hilton Head's role in our nation's history at one of its many historical sites, or go fishing, kayaking or cruising with one of our top-notch tour operators. Then, wind down at one of the Island's award-winning restaurants, wineries or distilleries while watching the sun set over it all. Hilton Head also has an array of fun Fall events and is just 45 minutes away from both Savannah and Beaufort. There are plenty of reasons why Hilton Head is one of the top-rated Islands in the country year after year.
