#### What We Offer

Whether whisking down our private powdery slopes in the winter or casting a line beside the cool waters of the Little Snake River under a summer sun, an adventure at Three Forks Ranch is always in season. Saddle up, tie a fly, grab a bike, lace up your boots, or grab a pair of skis for an unforgettable outdoor adventure in an idyllic wilderness.

Settle into a beautifully appointed suite with sweeping, postcard-perfect views of our secluded slice of heaven. Warm your soul by the fire with a glass of wine in hand, experience the ultimate in relaxation with a massage in our Roaring Fork Spa, and savor world-class cuisine inside our elegantly appointed dining room — or down on the water during one of our famous riverside lunches.

No matter how you choose to spend your time here, you will be greeted warmly and personally guided. At no other destination will you receive the bespoke, world-class service that Three Forks offers.

#### Wellness Has Been Redefined

The combination of all that we offer in our luxury retreat will redefine your expectations for a wellness trip and set you on a path to a healthier and happier you. And for those guests who wish to partake in a comprehensive wellness assessment, we are honored to provide them with [direct access to the Mayo Clinic!](#)\*
