#### The Links Course

This course is Nicklaus's tribute to the famed Old Course at St. Andrews, Scotland. It features open meadows, pot bunkers, and rolling terrain, providing a challenging links-style experience. The course measures 6,773 yards from the back tees, with a par of 72, a slope of 121, and a rating of 71.9.

#### The Cypress Course

In contrast, the Cypress Course offers a traditional Florida parkland-style layout with lush fairways, shimmering lakes, and bright white bunkers. It provides a scenic and strategic golfing experience.

For those looking to improve their game, the Grand Cypress Academy of Golf offers instruction using advanced techniques, including video and computer swing analysis.
