

DESTINATION:

The Caribbean, Mexico and Central America

7 NIGHT CRUISES TO THE CARIBBEAN, MEXICO AND CENTRAL AMERICA

Jimmy Buffett's music blends breezy tropical melodies with lyrics about beachside living, carefree adventures, and escapism, capturing the laid-back spirit of Mexico and the Caribbean.

His signature "island escapism" style evokes sun-soaked shores, margaritas, and a relaxed, coastal lifestyle that resonates deeply with the rhythms and attitudes of these vibrant regions.
