

St. Kitts, The Caribbean

ABOUT MARRIOTT RESORT ST. KITTS & ROYAL BEACH CASINO

Imagine a lavish escape to a beachfront oasis, where turquoise waters meet pristine sands, and the vibrant culture of St. Kitts embraces you at every turn. That's the essence of the St. Kitts Marriott Resort & The Royal Beach Casino.

This sprawling resort offers a blend of relaxation, adventure, and entertainment, perfect for families and couples.

Relax in spacious rooms and suites, adorned with West Indian-inspired decor and modern amenities like flat-screen TVs and private balconies with views of the ocean or lush gardens. Choose from the main Frigate Bay House or the quieter Garden Houses, ideal for families seeking more privacy and quicker access to the beach and pools.

Culinary Journey: Embark on a diverse culinary adventure with the resort's eight restaurants and two lounges. Enjoy Italian cuisine at La Cucina, fresh seafood at Blu, or juicy steaks at The Royal Grille Steakhouse. Grab casual bites and drinks at the swim-up pool bar or the Pizza Shack.

Endless Recreation: Dive into one of the resort's three outdoor pools, including a lively main pool and quieter options tucked into the villas. Relax on the resort's private beach, where you can swim, sunbathe, or try water sports like snorkeling and kayaking. Tee off at the adjacent 18-hole championship golf course, or indulge in a rejuvenating treatment at the Emerald Mist Spa. Experience the thrill of the 35,000 square foot Royal Beach Casino, or enjoy family fun with activities like tennis, basketball, giant chess, and a dedicated Kids Club.

A Memorable Stay: Whether you're seeking relaxation, adventure, or family fun, the St. Kitts Marriott Resort & The Royal Beach Casino promises an unforgettable Caribbean getaway with its stunning setting, diverse amenities, and warm island hospitality.

About St. Kitts Saint Kitts

Saint Kitts (also called Saint Christopher) is the larger of the two islands forming the nation of Saint Kitts and Nevis, located in the Eastern Caribbean. It is a volcanic island with a mountainous interior, home to Mount Liamuiga, a dormant volcano. The island boasts diverse landscapes, including lush rainforests, black volcanic sands, and white sandy beaches.

St. Kitts' culture is a vibrant blend of African, European, and indigenous influences. English is the official language, though a local Creole dialect, Kittitian, is also spoken.

Explore the Island: Discover the hidden gems of St. Kitts with convenient access to nearby attractions like the historic Brimstone Hill Fortress and the capital city of Basseterre. Explore lush rainforests, hike an active volcano, or take a day trip to the neighboring island of Nevis.
