Terms and Conditions

Each Rocco Forte gift certificate is protected by a secure ID code. Gift certificates can only be redeemed once. A multi-night certificate cannot be redeemed at more than one Rocco Forte Hotel. Gift certificates may not be exchanged for cash, cannot be replaced if lost or stolen, and are non-refundable.

The digital gift certificate should be presented when making the reservation. Advance booking is required and certificate ID has to be given at the time of reservation. Booking is subject to room availability and blackout dates apply. If a reservation is requested on a blackout date, the hotel voucher value can be used to partially pay for the total invoice. Voucher value may also be applied as a credit towards upgraded room accommodations. Cancellation of a booking within 72 hours of arrival will void the certificate. Rocco Forte Hotels reserves the right to ask for your credit card details for your stay as a guarantee. Terms and Conditions are subject to change.

**City Tax not included.*

Validation Period

Certificate must be redeemed within one year from date of issuance. Travel must commence and conclude within two years from date of issuance. Certificate fully expires and has no cash value if not redeemed within one year from date of issuance.
