ABOUT HYATT REGENCY COCONUT POINT RESORT & SPA

Nestled on 26 lush acres along Florida's Gulf Coast, Hyatt Regency Coconut Point Resort & Spa is a destination in itself, combining luxury, adventure, and relaxation for guests of all ages. The resort features a spectacular three-acre pool complex with a lazy river, multiple waterslides, waterfall and lap pools, private cabanas, a full-service spa, nature trails, fire pits, and a ferry to a secluded white-sand island beach where complimentary chairs and umbrellas await.

Dining options range from Southern-inspired favorites at Tanglewood – A Southern Kitchen to fresh seafood at Tarpon Bay, casual poolside fare at Corkscrew Bar & Grill, handcrafted cocktails at Mangroves Bar, and grab-and-go treats from Cool Beans Marketplace.

Island and Beach

Walk the nature trail to the resort's ferry for a 15 minute crossing of Estero Bay. Along the way, spot wild dolphins and more.

What's In Store

The included resort fee adds even more value, including access to the pools, lazy river and waterslides, ferry transportation to the private island beach, beach chairs and umbrellas, fitness center access, lawn games, rock-climbing wall, bottled water, in-room coffee, shuttle transportation within the resort area, and other recreational amenities.

Stillwater Spa & Salon

Amid the lush greenery of Southwest Florida's unspoiled nature lies the innovative Stillwater Spa, the centerpiece of Hyatt Regency Coconut Point Resort & Spa. Here, treatments are meant to restore the body's natural rhythms, renew your sense of balance, and rejuvenate the mind, body and soul.

Saltleaf Golf Preserve

Saltleaf Golf Preserve is adjacent to the resort and offers both a 18 Hole Championship Golf Course called The Preserve and a 9 Hole Par 3 Walking Only Short Course named The Leaf. Saltleaf is available for a Daily Fee and Resort play year-round.

In and Around Bonita Springs/Naples

Nearby Naples, Florida offers a variety of activities, from beautiful beaches and nature reserves to cultural attractions and family-friendly options. Some popular choices include exploring the Naples Botanical Garden, strolling the Naples Pier, enjoying Lowdermilk Beach, visiting the Naples Zoo, and experiencing the Revs Institute. For nature lovers, Corkscrew Swamp Sanctuary and Delnor-Wiggins Pass State Park are great choices. You can also enjoy boat tours, fishing charters, or even a Segway tour of the city.

Whether you're seeking a family getaway, a romantic escape, or a sun-soaked retreat with endless activities, Hyatt Regency Coconut Point delivers the perfect blend of Southwest Florida luxury and laid-back coastal charm.
